By completing the attached Income Eligibility Statement form, the center will be able to received reimbursement, which is based on the number of enrolled participants that eligible for free or reduced price meals. Below are answers to common questions about the Program:

1. **Do I need to fill out an IES form for each adult in day care?** Yes. Complete and submit one IES form for each adult in your household that is enrolled in a day care center. We cannot approve a form that is not complete, so be sure to read the instructions carefully and fill out all required information. Return the completed form to: [Organization name, address, phone number].
2. **Who can get reduced price meals?** Adults can get low cost meals if your household income is within the reduced price limits on the Federal Income Chart, should on this application.
3. **May I fill out a form if someone in my household is not a U.S. Citizen?** Yes. Your or the adult in your care do not have to be U.S. citizens to qualify for meal benefits offered at the center.
4. **Who should I include as members of household?** You must include all people in your household, related or not (such as grandparents, other relatives, or friends who live with you). You must include yourself and all children who live with you.
5. **How do I report income information and changes in employment status?** The income you report must be the total gross income listed by source for each household member received last month. If last month's income does not accurately reflect your circumstances, you may provide a projection of your monthly income. If no significant change has occurred, you may use last month's income as a basis to make this projection. If you household's income is equal to or less than the amounts indicated for your household's size on the attached Income Chart, the adult day care will receive a higher level of reimbursement. Once properly approved for free or reduced price benefits, whether through income or proof of benefits as supported by a current Food Stamp, Temporary Assistance for Needy Families (TANF) or Food Distribution Program on Indian Reservations (FDPIR) case number, you will remain eligible for those benefits for a period not to exceed 12 months. You should, however, notify us if you or someone in your household becomes unemployed and the loss of

income during the period of unemployment causes your household income to be within the eligibility standards (participants with family members who become unemployed are eligible for the free or reduced-price meals during the period of unemployment, provided that the loss of income causes the family income, during the period of unemployment, to be within the eligibility standards for those meals).

6. **What if my income is not always the same?** List the amount that you normally get. For example, if you normally get \$1000 each month, but you missed some work last month and only got \$900, put down that you get \$1000 per month. If you normally get overtime, include but not if you only get it sometimes.
7. **What should I do if the adult meal participant no longer receives food stamp, PFPIR, Social Security Income (SSI) or Medicaid?** If you provided a food stamp or FDPIR case number or and SSI or Medicaid assistance number to establish an adult's eligibility for free meals, you must notify the appropriate institution officials during the year of any termination in the adult's certification to participate in the Food Stamp, SSI or Medicaid Programs or FDPIR.
8. **We are in the military. Do we include our housing allowance as income?** If your housing is part of the Military Housing Privatization Initiative and you receive the Family Subsistence Supplemental Allowance, do not include these allowances as income. Also, in regard to deployed service members, only that portion of a deployed service member's income made available by them or on their behalf to the household will be counted as income to the household. All other allowances must be included in your gross income.
